

ImageJ/Fiji Workshop

29th April

This workshop is open to everyone.

A fee of 80 € applies to all participants. A 50 % discount will be given to members of groups that have a microscope within the OICE pool.

Maximum number of participants 12. Work shop location is @ the OICE.

- Introduction to digital images (image types, quantization, resolution)
- General usage (Image import, Dealing with multi-dimensional, multi-channel data, etc.)
- ROIs and intensity quantification
- A complete workflow from raw microscopy data to final figure/movie.

Bringing your own notebook is an advantage!

Please ask Benjamin Schmid for assistance on installation of Fiji after your valid registration and before the seminar.

The workshops will last approximately 3 hours.

Deadline: April 15th, 2019!
